

## **KATHLEEN R. BOHN**

### **Bio**

Kathy has been an Ozaukee County resident for the past six years. Prior to that she lived in Whitefish Bay for 12 years after relocating to Wisconsin from the Chicagoland area in 2000. For the past 15 years Kathy has been working full-time selling residential real estate around the Greater Milwaukee area as an Agent with First Weber, Inc., a Berkshire Hathaway Affiliate. Prior to living in Chicago, Kathy also resided in the Washington D.C. area with her family, as well as San Diego, CA, and Cleveland, OH. Many of these moves around the country were predicated upon her husband's job with the federal government.

Kathy brings with her over 20 years of nursing experience. She holds a Bachelor of Science Degree in Nursing from the University of Akron. Over the years she has worked in a number of different medical disciplines and environments, including working in hospitals doing different levels of patient care. She also worked in the home health care field for many years. In addition, she also has experience with Quality Assurance, Discharge Planning, Home Care, Pediatric Care, and home Hospice care.

During her childhood in Cleveland Ohio, Kathy grew up with her cousin, Jackie, who is a few years older than her and cognitively disabled. Kathy and Jackie developed a special bond that continues to this day, so much so that Kathy has agreed to be Jackie's legal guardian in the event something happens to her father. Jackie currently lives in Ohio with her father, who is elderly and in failing health. So, as you can see, it would mean a lot to Kathy to be involved in a quality organization that helps create a safe and positive place for the cognitively disabled population to live, work, thrive, and enjoy life every day.

Kathy lives in Mequon with her husband. They have three adult daughters and two grandchildren, both of whom live in the Eau Claire, Wisconsin, area.
